Traditional Bands at the 2024 FMBC State Championship elected to compete in a "one and done" style. This was in place of the originally scheduled prelims/finals format.

Coral Springs was judged under a different panel style than Palm Beach Lakes and McArthur, therefore the scores are not comparable. Coral Springs was tabulated using a single panel, and Palm Beach Lakes a double panel. This means two judges give a number for certain captions and the score is factored by dividing in half. This is because it was originally intended for all 3 bands to perform at prelims under the single panel, then again at finals for a double panel.

Notable Info:

For Palm Beach Lakes and McArthur the score is calculated by dividing the subtotal number by half to average for the double panel.

Also; one of the judges was a "no show" but the lack of a score in this caption is equitable across both band's total.

Prelims - (Single Panel)

Coral Springs: 80.150

Finals - (Double Panel):

Palm Beach Lakes: 73.475

McArthur: 69.55
